Insurance benefits‡ for fatal accidents

Common carrier accidents

- Paid if you are killed while traveling as a fare-paying passenger in any licensed common carrier (commercial airline, train, cruise ship, bus or taxi).

Auto and light duty truck accidents

- Paid in the event of your death while driving or riding as a passenger in a private or rented car or light duty truck. The benefit is also paid when, as a pedestrian, you are hit and killed by an automobile or truck.

All other covered accidents

- Paid if your death is caused by any other covered accident.
